In the following index reference is made by the page number to every item regarding State, city, town or county finances published in the CHRONICLE since the issue of October 13, 1900, not excluding matter contained in the current number. Full-face types refer to latest reports of total debt, assessed valuation, &c. In the CHRONICLE of October 20, 1900, pages 825, to 828, an index was given to the items appearing from the beginning of July up to and including October 13. The two indexes together therefore cover everything published in the STATE AND CITY DEPARTMENT in the present volume.
